When can I change over?

You can exit them at any time. You are not in a fixed term contract for water supply.

What about monies paid in advance?

Neverfail will not refund it. However we make sure you are not out of pocket when you change over to us.

What about leftover bottles?

We swap out any Neverfail full bottles with our bottles free of charge. We will make special arrangements if you have more than 4 bottles.

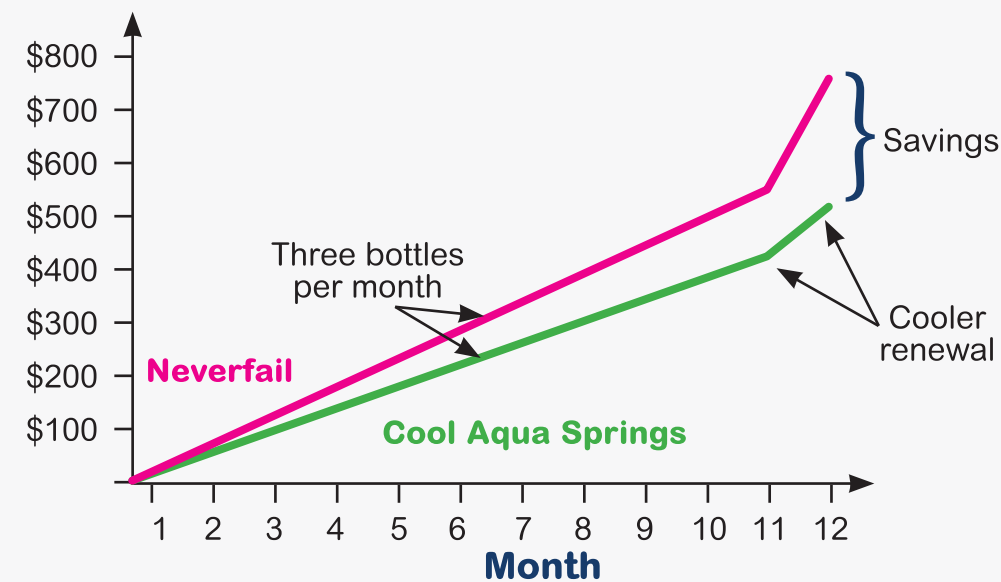

Will changing over cost me extra money?

There is zero cost in change over. We will provide you a new cooler rent free for the remaining Neverfail paid rental period.

Do I need to wait until Neverfail rental ends?

No. There is no reason to wait until then. It is best to swap over to us as soon as possible. As we supply cheaper bottles and deliver free, your savings start immediately.

Cost

On three bottles per month you will save \$210 pa

You can save heaps. Your cooler rental will be renewed for \$99.00 instead of \$205.48 from Neverfail. This saves you \$106.48. Our 15 L spring water bottles are \$12.50 each while Neverfail cost \$14.95. You save \$2.45 per bottle. We have zero delivery fee while Neverfail charges \$1.25. When you order three 15 L bottles per month you will save \$209.68 for the year! If you use 5 of these bottles per month you will save \$268.48.
