VISIT STORE - 1 HOLLIE DRIVE, MORWELL - PART OF COOL GROUP

Rent a freestanding water cooler today

Dispense refreshing natural spring water from the Great Dividing Ranges with one of our quality freestanding water coolers. Once we've installed it, we regularly maintain your cooler and have a free replacement warranty.

Ideal for corporate use

Use our Professional freestanding water cooler to provide natural spring water in your:

- Offices and workplaces
- Reception or waiting room
- Foyers and shared spaces
- Home and residents

Easy-to-use water taps

Two easy-to-use taps allow you to enjoy both room temperature and chilled natural spring water.

Place it wherever needed

The freestanding water cooler is lightweight. You can easily move it wherever you want. All you need is a power point!

On-demand chilled water

The quick chill compressor delivers water cooling between six and ten degrees Celsius. By doing it on demand you never run out. We also have hot and cold units available.

Low-cost rent

Arranging rental on an annual basis keeps it affordable. We keep it 'hassle free' by including delivery and installation.

Drink spring water

We offer great service and competitive pricing for bottled spring water delivery to Eastern Victoria and South East Melbourne. We deliver on either fortnightly or monthly basis.

More freestanding water coolers & dispensers

Commercial water cooler
